2. [redacted] advised that the final discussion on the overtime policy will be held at Deputy Director Career Board meetings which are scheduled for 9, 10, and 11 September. General Cabell has reviewed the policy and feels that some provisions (pay, compensatory time, bonus, or differential) should be made for officers above grade nine who are obliged to work long and unusual hours to meet the requirements of the Agency.

3. No reply has been received from DD/P relative to the plans and policy for the Task Force. [redacted] feels that his office and not the PP Staff should maintain record cards on personnel selected for the Task Force. The undersigned has informed [redacted] that he will meet with [redacted] to keep abreast of any implications in the Task Force arrangements that will have a bearing on training activities. STATINTL

4. Upon returning from his recent trip, General Cabell commented upon the conduct and deportment of Americans overseas. From the tone of his comments, it is likely that he will desire increased emphasis on indoctrination and orientation of not only employees but their dependents as well. [redacted] promised to obtain some of the notes from General Cabell's discussions. He also anticipates that [redacted] will be modified and changed to meet the requirement for emphasis on specific matters. Mr. Baird requested that the foregoing be brought to the attention of [redacted] This will be accomplished at the next meeting with [redacted] which 25X1A is scheduled to occur during the week of 25 August.
